The libraries at Emory provide research data support for projects and learning across multiple disciplines involving quantitative, qualitative, textual and network analysis, and spatial/GIS data. We can collaborate with and advise you across the entire research life cycle, including accessing and using unique data, working with data analysis software, managing your data, and sharing your data for reuse by other researchers.

CONTACTS

**ROBERT W. WOODRUFF LIBRARY**

- **Jen Doty**, jennifer.doty@emory.edu
- **Jennifer Elder**, jennifer.j.elder@emory.edu
- **Melissa Hackman**, melissa.joy.hackman@emory.edu

**WOODRUFF HEALTH SCIENCES CENTER LIBRARY**

- **Jeremy Kupsco**, jkupsco@emory.edu
- **Shenita Peterson**, shenita.peterson@emory.edu
- **Kim Powell**, kpowel@emory.edu

**EMORY CENTER FOR DIGITAL SCHOLARSHIP (inside Woodruff Library)**

- **Rob O’Reilly**, roreill@emory.edu
- **Sara Palmer**, sara.palmer@emory.edu
- **Megan Slemons**, megan.slemons@emory.edu

Contact a specialist or email libdatahelp@emory.edu and we’ll connect you to the right person for assistance. For additional resources, see researchdata.emory.edu.

**Data Management**

- Dataverse **JD**
- Restricted-use Data Access **RO**

**Geospatial Data and Software**

- ArcGIS, QGIS **MS SP**
- CARTO, Google Earth Pro **MS**
- Finding Geospatial Data **MS**

**Funder Compliance**

- Public Access Compliance **JK**
- Data Management Plans **JD JK**

**Genomic Software and Tools**

- MetaCore, Lasergene, HGMD, GeneXplain **JK**

**Networks, Text, and Visualization**

- Network Analysis—Cytoscape, Gephi, Palladio **SP**
- Text Analysis—AntConc, Natural Language Toolkit, Voyant **SP**
- Data Visualization—Tableau Public **MS**

**Statistical Data and Software**

- R **KP RO**
- SAS, SPSS, Stata **RO SP**
- Stat/Transfer **RO**
- Epi Info 7 **SP**
- Finding Public Health Data **RO SP**
- Finding Quantitative Data **RO**

**Publication and Impact Analysis**

- Web of Science, Scopus **JE KP SP**
- InCites, Altmetrics, Publish or Perish - Google Scholar **JE KP**

**Qualitative Software**

- MAXQDA **SP MH**
- NVivo **SP**

**Tests and Measurements**

- Educational & Psychological Tests & Measurements **JE**
